

## How often do you pack the wrong stuff?

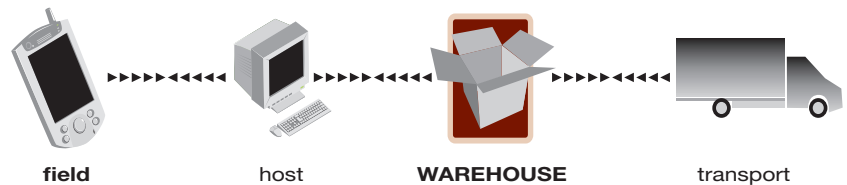

**Biz.Pack Reduces:** Order to Delivery Time Frame  
Human Error  
Double Handling of Data  
Paperwork  
Operational Costs

# Biz.Pack Mobile System

**Biz.Pack is the solution to the everyday mistakes and inefficiencies that have a direct effect on profits.**

Biz.Pack *electronically distributes and records* scan packing operations within your warehouse, exchanging this information in a timely and accurate manner with your host/enterprise system.

**BENEFITS OUR CLIENTS HAVE EXPERIENCED:**

- Increased stock accuracy/visibility
- Improved productivity and flexibility
- Competitive advantage
- Increased return of existing IT investments

### Easy-to-use features:

- EDI Processing
- Integrated Scan Packing
- Batched PDT Picking
- RF PDT Picking
- Picking Slip Confirmation
- Electronic Invoice ASN Notification
- Retailer Labelling
- Bulk Picking or Individual Order Picking
- Reverse Purchase Order Creation

*"Costly errors are now a thing of the past and our accuracy is winning us business. We guarantee no errors in packing and can deliver on this promise every single time - our customers love it! The relatively small investment has given us the best returns of any implementation we have made in the last ten years."*

*John Axford, Managing Director, Land & Sea Sports.*

## Why Biz.Com?

### User friendly

Our systems are worker process driven not just technology driven. They are designed according to business processes and workforce activities.

### Flexible solutions

Our systems meet the needs of your business and can have functionality added quickly and easily to adapt to new market conditions, changes in business strategy and emerging technologies.

### Seamless integration with host systems

Biz.Com has over ten years experience interfacing with a diverse range of enterprise/host systems and from many industries.

### You'll be in good company

There are over 4,000 users of our systems including some of Australia's largest companies: Coles Supermarkets, Myer Grace Bros, Australian air Express, Toll Holdings and Crown Limited.
